

Highprofile Classic

Poplar & Paulownia Painted Timber Shutters

Highprofile Classic shutters are meticulously crafted from 100% premium hardwood, ensuring unmatched quality throughout the frames, stiles, and blades. Unlike alternatives that use veneers or MDF, our shutters are made entirely from solid timber for lasting durability. Choose between Poplar or Paulownia hardwood, both offering exceptional performance and style.

Components

Material, Frames & Stiles

- Choose between Poplar or Paulownia timber.
- Select from L, Z, or decorative frames, and flat or beaded stiles to complement both modern and traditional homes.

Blades & Control Rods

Blade sizes and control rod styles come down to personal preference. The 89mm elliptical blade and Clearview or Hidden Tilt control rods are the most popular choices for a sleek, modern look.

Blades

- Elliptical blade 64mm, 89mm, 114mm
- Urban & Flat blade 89mm (Poplar shutters only)

Control Rods

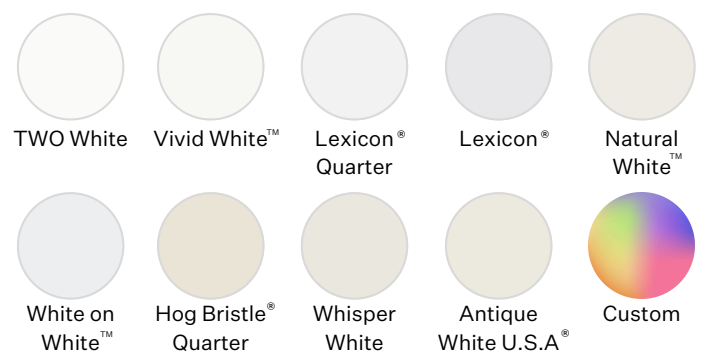

- Hidden Tilt
- Clearview
- Traditional Centre
- Offset 40
- The Euro 180 is a 180-degree tilt option compatible with Clearview, Traditional Centre, and Offset 40 control rods.

Installation Options

- Hinged
- Fixed
- Multi-fold
- Sliding
- Corner
- Bay
- Tier on Tier
- Panel only

Finish & Colours

Highprofile Classic Poplar and Paulownia timber shutters are finished with a premium 2-pack polyurethane paint, the same high-quality coating used in high-end cabinetry. This ensures a durable and flawless finish that enhances the look and longevity of your shutters. The colour range is inspired by Dulux's popular interior whites.
