Introducing the New 10 Nm Whispertech™ Motor for Zipscreens & Wire Guides

We're excited to announce the release of our 10 Nm Whispertech motor, designed specifically for outdoor shading solutions. This addition expands the Whispertech™ range, which already includes the 1.1 Nm and 2 Nm motors for interior roller blinds. The 10 Nm motor offers the same innovative features as its interior counterparts but with the power and reliability needed for larger outdoor shading applications.

Key Benefits:

- **Ultra-Quiet Operation:** Perfect for maintaining a peaceful environment, whether indoors or outdoors.
- **Battery-Powered Convenience:** Eliminates the need for an electrician, as no hardwiring is required.

Ordering Details

- **Product:** Available for Shadesol Zipscreen and Wire Guide
- **Capacity:** 1m min width - 5.8m max width (15m² max area)
- **Accessories:** 6 channel Whispertech remote, USB-C easy-connect charge cable, Bond Bridge Hub, compatible with the Linx solar charger
- **Surcharge:** \$199 Ex.GST each

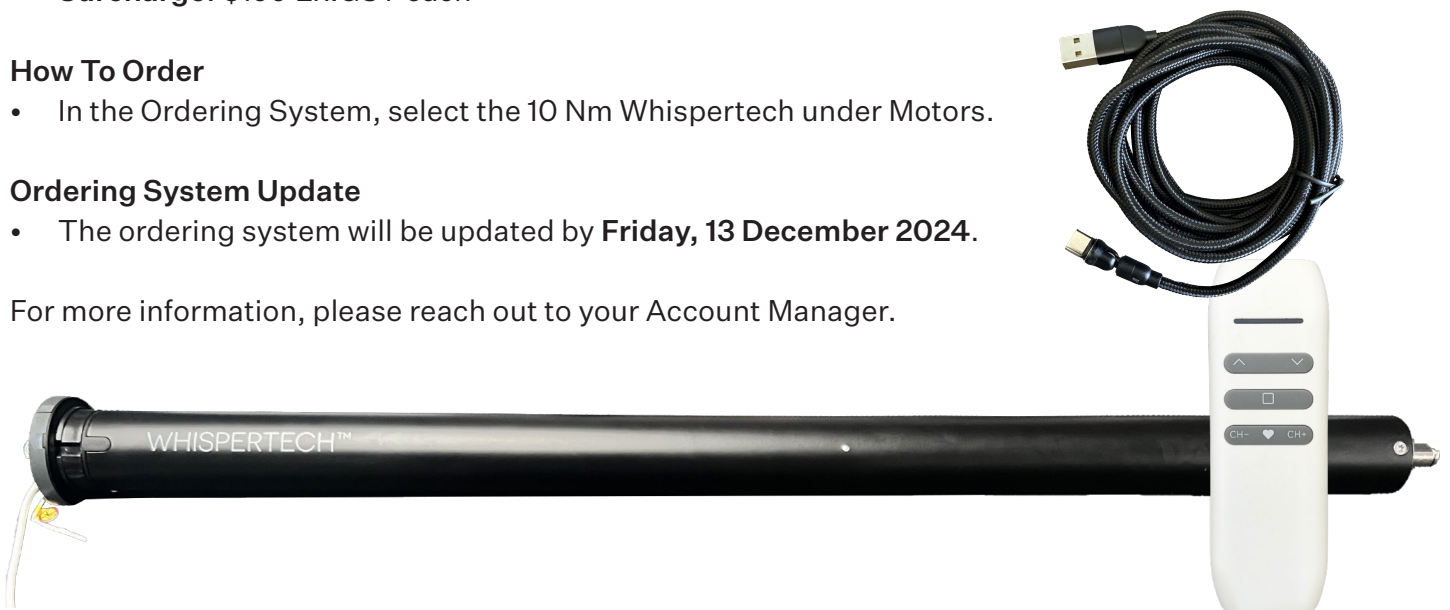

How To Order

- In the Ordering System, select the 10 Nm Whispertech under Motors.

Ordering System Update

- The ordering system will be updated by **Friday, 13 December 2024**.
